News Release

The South of England Show Comes To East Surrey Hospital

East Surrey Hospital's very own award winning station, Radio Redhill will be bringing all the sounds and excitement of the South of England Show to the patients and staff on the 12th June in a special programme.

Roving reporters will tour the show site at Ardingly to bring a flavour of the event and share the some of the sights and sounds in their reports back to the studio.

Warren Selwood, Head of Programming for Radio Redhill said "The programme from The South of England Show follows in a long line of successful broadcasts from events such as this. Last year we broadcast from Brooklands Museum and we received a lot of positive feedback from our listeners. We were pleased when the programme won a Gold Award at this years National Hospital Radio Awards and we hope that the broadcast from the South of England Show will be as successful as last year".
