News Release

The South of England Show At The East Surrey Hospital

East Surrey Hospital's very own award winning station, Radio Redhill brought all the sounds and excitement of the South of England Show to the patients and staff on Saturday 12th June in a special programme.

Roving reporters toured the show site at Ardingly to bring a flavour of the event and share the some of the sights and sounds in their reports back to the studio. This included Irwyn Davies a presenter at the station meeting Clarissa Dickson Wright & Sir Johnny Scott, whilst they were busy signing their latest book at the show, from the BBC TV programme 'Clarissa and the Countryman'.

Warren Selwood, Head of Programming for Radio Redhill said "The programme from The South of England Show followed in a long line of successful broadcasts from events such as this. We were pleased with the results and we hope that the broadcast from the South of England Show was enjoyed by all of our listeners.
